

Emergency First Aid at Work – 3 Day Training Course

This 3-day course can be run over consecutive dates, or split into 3 separate sessions depending on the operational requirements of your organisation.

The course is SQA SCQF Level 6 accredited and meets the Health and Safety (First Aid) regulations 1981. It involves practical competency assessments and understanding theory which is assessed by a written paper.

It is suitable for anyone in a workplace, or organisation where a First Aider is required.

Learning Outcomes

- legalities of First Aid roles and responsibilities
- unresponsive casualties
- controlling bleeding
- fractures and spinal injuries
- poisoning
- burns
- epilepsy
- resuscitation
- defibrillation
- bandaging
- heart attacks
- head injuries
- chest injuries
- asthma
- stroke
- assessment of an emergency situation
- shock, including anaphylaxis
- choking
- eye injuries
- sprains and strains
- diabetes

Who should attend?

Anyone who requires in depth First Aid knowledge to conduct their duties.
