

Emergency First Aid at Work – 1 Day Practical Training Course

This one-day course is SQA SCQF Level 6 accredited.

It is suitable for anyone in a workplace or organisation where a First Aider is required.

Delegates are competency assessed throughout the course, in scenarios they may reasonably encounter in real life.

Learning Outcomes

- understand the role and responsibilities of a First Aider
- able to assess an incident or emergency
- able to provide first aid to an unresponsive casualty
 - o CPR (Cardiopulmonary Resuscitation)
 - o recovery
 - o seizures

Delegates will have the opportunity to learn in a practical way, with aids and products. There is also the chance to ask questions and build confidence in a learning environment.

Who should attend?

Anyone who requires First Aid knowledge to conduct their duties.
